  - <http://www.bankgloucester.com>

PART DIGITAL DESIGN, 2007-2010

**Freelance Web Designer/Developer:**

Work Highlights

- Blueberry Point Chefs
  - <http://www.blueberrypointchefs.com>
- Computer Essentials
  - <http://www.cebangor.com>
- BolducPress
  - <http://www.bolducpress.com>
  - Personal Blog about the business and art of web design
- Custom PHP Framework
  - I built a custom PHP MVC framework inspired by Cake PHP and Code Igniter
  - My website is using this framework

ASAP MEDIA SERVICES, 2006

**Computer Technician**

- I built a content management system for Invasive Aquatic Plant Patrol as well as built some of the front-end Flash components.

- I constructed the Flash media players for the Maine Center on Aging website. They included an audio and video player.
- I built a standalone presentation application for the New England Institute of Technology. It was put on thumb drives and distributed to the faculty.
- I supervised a group of four on an online video project.

TREFOIL CORPORATION, 2005

**Computer Technician**

I worked with an entrepreneur named John Osborn to create custom interfaces and web systems.

ASAP MEDIA SERVICES, 2004 - 2005

**Computer Technician**

I collaborated with another employee to create the first version of the Slim Goodbody website. I was primarily responsible for the design of icons and navigation.

ASAP MEDIA SERVICES, summer 2000 - summer 2004

**Intern**

This was an exploratory period where I experimented with various mediums of new media. I focused on design, computer animation and Flash.

I learned a lot about working with a team and what's possible through the use of computer technology.

**Computer Skills:**

- Proficiency with PHP, HTML, CSS, MYSQL, JavaScript (including AJAX and JQuery).
- Some experience using Actionscript
- Advanced knowledge of Object Oriented Programming, including design patterns.
- Expert typing.
- Computer maintenance and repair.
- 12 years of web development and design experience.
- 5 years of freelance experience.
- 7 Years of agency experience.
